TEXAS CHAPTER • ANTIQUE AIRPLANE ASSOCIATION • NEWSLETTER • OCTOBER 2019

Presidents Corner...

Thanks again to Ken and Linda Robbins for hosting our September meeting. We had 37 members and guests in attendance and a few aircraft flying in. Shortest flight was awarded to Tim Hulme who taxied over from across the runway. Linda set up a pancake/ waffle table and we had lots of great treats as usual.

The excitement is mounting for our fall festival of flight on October 11th and 12th. Joel and his fly in committee have been working hard to make this 57th fly in a huge success.

Just a reminder our member dues of \$25.00 is due on September 30th of each year so if you are past due please be ready to renew at the fly in. Our chapter's continued success depends on our members.

Start now to explore your hangars, homes, and garages for sale items at our fly mart during the event. The chapter gets 10% on those sales and you get to clean out your unneeded stuff.

This year, we will be having an "Aviation 101" for This kids of all ages to learn about airplanes. Our goal is not only teaching the youth about airplanes, but to give each kid an aviation magazine as a takeaway. So, PLEASE bring your already loved magazines so we can pass them along!

Please Call a friend and encourage them to fly to our fly-in! Any airplane will do, but special emphasis on antique / vintage / classic airplanes!

Our chapter provides desserts on Friday evening. Please remember to bring your favorite delicious dessert to share with members and guests!

There is still time to volunteer to help at the fly in so please contact Joel if you can contribute.

I'm looking forward to a great "FALL FESTIVAL OF FLIGHT" Celebration.

See y'all there.
Terry

Minutes of the September 2019 Meeting

- 10:43 AM President Wallace called the meeting to order and thanked Ken and Linda for the use of their hanger. There were a lot of Birthdays, but one in particular was Jim Putney who was 91.
- Joel Meanor gave more information on the October flying at Gainesville.
- Stan Price ask members to bring new or old flying magazines to October flyin to give to kids.
- Laurie Mitchell gave the Financial report.
- Door prizes were given from attendance list.
- Next meeting in October Flyin at Gainesville
- A motion to adjourn was made and seconded. The meeting ended at 11:00 AM

*Respectfully submitted
by Doug Green
secretary,
Texas Chapter AAA*

2019 TX Antique Airplane Association Fly-In Class Schedule

Each year during our Fall Festival of Flight, the Texas Chapter of the Antique Airplane Association provides an excellent venue and forum to host FAA FAASTeam and aviation safety seminars.

These interesting and informative seminars include a variety of important safety topics designed to reduce risk and increase the level of safety for our members and guests.

The seminars are offered to our members and guests at no cost and enable attendees the ability to take WINGS credit.

The 2019 Seminar Schedule:

- **8:30 AM** - Weather Challenge by Pat Brown. Weather is an important factor when it comes to flying. All pilots must make crucial decisions on weather information before and during a flight. This presentation gives details about weather risk management, adverse conditions, analysis, etc.
- **10:30 AM** - Safety Spotlight by Brandon Ayers. Top tips for the private pilot, including the latest technical information on ForeFlight, ADS-B, etc.
- **12:30 PM** - Flying Club Seminar by Pat Brown. An in-depth seminar designed to demystify the process of starting and running a successful flying club as well as welcoming newcomers into aviation and keeping today's pilots in the air.
- **3:00 PM** - Pilot Proficiency Program by Brandon Ayers. Understanding the WINGS program, encouraging on-going training and how WINGS satisfy the requirement for your flight review, etc.

□

CALENDAR OF EVENTS 2019

Next Meeting: October 11-12

Annual fly-in, Gainesville Airport - Annual Fall festival of flight

For Flyers:

Gainesville Municipal Airport (GLE) is located on the north side of Hwy 82, two miles west of Interstate Highway 3. Runways: 17/35, 12/30 with a grass runway, 17R/35L at mid-field. Gainesville is a non-towered airport. Monitor 118.375 for wind and information. Unicom is 123.0 Due to potential for heavy weekend and Fly-In traffic, pilots should use established procedures and stay alert for other traffic. The Fly-In Registration Desk is located in Ayers aviation hangar just north of the Terminal building.

For Drivers:

Take I35 North to Gainesville, TX and turn west on US 82 approx. 3 miles to airport on right.

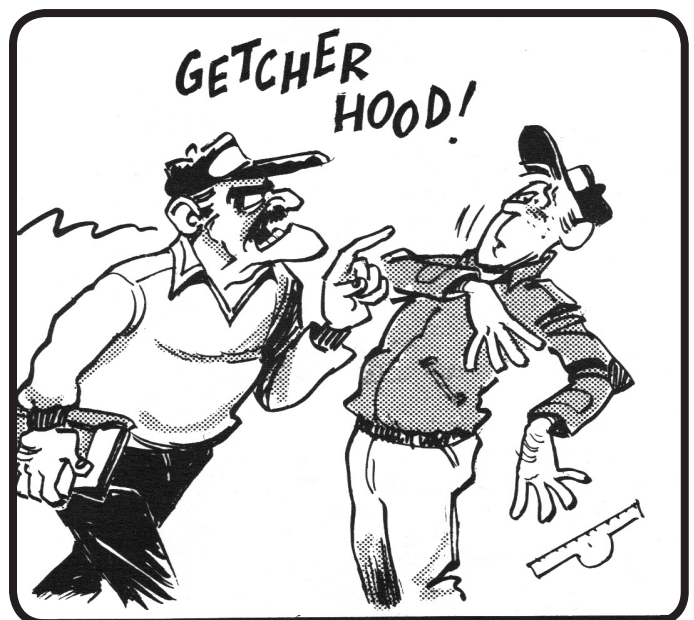

Upcoming Meetings 2019:

November 16th - New member's Trey and Brandi Hayden's, Fairview Airport
December 21st - Golden Coral Keller Texas

Fly-Ins of Interest 2019:

October 24th - 27th - Flying M. Ranch, Reklaw, TX

□

CRAB - Chief pilot before his first cup of coffee in the morning.
