TEXAS CHAPTER • ANTIQUE AIRPLANE ASSOCIATION • NEWSLETTER • SEPTEMBER 2019

## Presidents Corner...

*I think everyone had a good time at the August brunch meeting in Jim and Betty Austin's Hangar last month. I won't beat out IHOP on the pancakes but with all of syrup they weren't too bad. We had about 10 airplanes there and 40 guests and members in attendance.*

*The National AAA fly-in at Blakesburg Iowa was a great success. I do not have the official count, but I would guess over two hundred aircraft flew in for the event. We had about 30 of our chapter members present for our Saturday meeting on the steps of the APM library. My thanks to Harold Stieber for cooking brats and bringing beer for lunch.*

*We voted for the chapter choice airplane and it was an 1946 Aeronca 7AC Champ that was restored by Myron Lokken and Doug Tomas of Madison Wisconsin.*

*Our next meeting will be at Fairview airport in Ken and Linda Robins Hangar. See the calendar of events in this issue for the Airport information.*

*Need to plot a course, a 6 ft. copper pipe will do the trick. Can never have a long enough straight edge. Now where do these pieces go?*
